

Ad Hoc

Ad Hoc is an assembly of varietal wines for any occasion, each wine sourced from its best-suited region in Western Australia.

From Margaret River, to Pemberton, to the regions of the Great Southern, we've grown up and worked amongst the vines. Our knowledge of these regions and relationships with other grape growers enables us to find the best vineyards for each grape variety, and this is what we show with through Ad Hoc.

We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

Ad Hoc are "go-to", dependable wines for any occasion, as characterful as their labels.

2015 Ad Hoc Wallflower Riesling

THE VINTAGE:

The Great Southern region and surrounding areas had an abundant winter and spring rainfall, then with little to no rain over the summer months. Most varieties achieved ripeness at relatively low sugar levels. Yields were relatively low but of excellent quality.

THE WINEMAKING:

Grapes were selected from various sites across the Great Southern. Great attention to harvest dates along with gentle de-stemming, minimal use of sulphur and using free-run juice from select parcels of fruit ensured the elegance and purity of flavour was maintained.

THE WINE:

Almost transparent in colour, this wine shows great purity and refinement. A fragrant bouquet, with flavours of lemon peel and bath salts all carried along by a soft texture and long fine acid.

DRINK WITH:

Beer-battered whiting with tartare sauce and lemon.
