

Ad Hoc

Ad Hoc is an assembly of varietal wines for any occasion, each wine sourced from its best-suited region in Western Australia.

From Margaret River, to Pemberton, to the regions of the Great Southern, we've grown up and worked amongst the vines. Our knowledge of these regions and relationships with other grape growers enables us to find the best vineyards for each grape variety, and this is what we show with through Ad Hoc.

We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

Ad Hoc are "go-to", dependable wines for any occasion, as characterful as their labels.

2019 Nitty Gritty Pinot Grigio

THE VINTAGE:

Wet and heavy winter falls followed by significant early summer rains saw some record yields and super quality fruit the result. Harvest was later than usual and difficult but good management ensured the best fruit made it through.

THE WINEMAKING:

The fruit was harvested at night before crushing and de-stemming. Some skin contact was employed to extract flavour and texture from the fruit.

THE WINE:

An intensely fragrant bouquet of pear, with chalky mineral undertones. Tangy acidity and lively dried herb undertones work well to culminate good length and strength to the wine.

DRINK WITH:

Butter-seared seafood with a coriander-spiced aioli and fennel salad.
