

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2019 Great Southern Riesling

THE VINTAGE:

Low rainfall in winter and spring with some devastating frost events made the summer ripening season late. A tricky harvest to say the least but patience (and a bit of luck) paid off in the end with some exceptional wines being the ultimate result.

THE WINEMAKING:

The fruit was hand-harvested and grapes were gently de-stemmed. The free-run juice was fermented using natural yeasts, followed by a long, cool fermentation between 10-12°C.

THE WINE:

Chalky mineral aromatics with lemon and lime. Tight knit acidity with chalky mineral flavours coming through on the pallet. Acidity is long and fine with a steely structure and lengthy finish.

DRINK WITH:

Freshly shucked Oysters.
