

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2021 Grenache Rose

THE VINTAGE:

A very challenging year with above average rainfall. Careful fruit selection and canopy management made all the difference with expressive white wines with longevity due to the long, slow ripening. The northern end of the Margaret River, Wilyabrup and Yallingup experienced very different conditions to the south. Reds are very perfumed and long in flavour with abundant tannins.

THE WINEMAKING:

Held on skins for 6 hours to pick up a slight pink hue and gently pressed with 50% of the juice fermented in 1 & 2 year old oak for 6 weeks. Bottled immediately after fermentation.

THE WINE:

Some barrel fermented notes with a brightness, lightness and complexity. Rose petal, musk and pomegranate. Fine lingering acidity and length.
