

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2021 Margaret River Cabernet Sauvignon

THE VINTAGE:

A very challenging year with above average rainfall. Careful fruit selection and canopy management made all the difference with expressive white wines with longevity due to the long, slow ripening. The northern end of the Margaret River, Wilyabrup and Yallingup experienced very different conditions to the south. Reds are very perfumed and long in flavour with abundant tannins.

THE WINEMAKING:

The fruit was hand harvested and transported to the winery where it was cooled overnight and hand sorted. Maceration lasted for 6 weeks with minimal pump overs and temperatures ranging from 12°-27°C. The wine was pressed to tank and allowed to settle for 7 days prior to oak maturation. A range of coopers were used in the wine's development.

THE WINE:

Aromas of red earth with a compote of berries and fine nuances of dried bay leaf. The oak is gentle with soft tannins and spice notes with a long complex finish.
