

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2021 Mount Barker Riesling

THE VINTAGE:

An exceptional vintage with rainfall falling at just the right times, Rieslings are some of the best in recent memory with expression of floral aromas and balanced acidities. Cabernet and Shiraz from Frankland are exceptional with tannin and colour. Chardonnay and Pinot from the sub-region of Porongurup are exceptional examples.

THE WINEMAKING:

Hand-picked and whole-bunch pressed to stainless steel, a long cool fermentation with natural yeasts. Bottled immediately after fermentation ended.

THE WINE:

Distinctive Mount Barker citrus blossom, an ultra fine palate with a long lingering acidity.
