

Laissez Faire

Laissez-Faire means “let it be” and this reflects our hands off approach.

Whilst we’ve learnt from organics, biodynamics and natural wine practices, we’re not dictated by one school of thought. We don’t subscribe to dogma. You could call them natural wines, but we like to think of them as “post natural wines”.

We believe in healthy and sustainable vineyard practices, and a winemaking transparency with as little as possible between the vine and finished wine.

Whereas a lot of wines presented as “natural” can be sourced from chemically cultivated vines without accountability, we grow all our own grapes. Our Grenache and Syrah vines are dry grown. And whilst copper is allowed in organic viticulture, we use minimal copper treatments.

In our Laissez-Faire winemaking, there’s no added tannin, or acid, or animal fining products. There is zero sulphur use throughout the winemaking, and only a minimal amount at bottling. We’re using alternate varieties and blends to make naturally balanced wines. From vine to bottle, the wine takes its course, hands free.

2021 Syrah

THE VINTAGE:

An exceptional vintage with rainfall falling at just the right times, Rieslings are some of the best in recent memory with expression of floral aromas and balanced acidities. Cabernet and Shiraz from Frankland are exceptional with tannin and colour. Chardonnay and Pinot from the sub-region of Porongurup are exceptional examples.

THE WINE MAKING:

Grapes were hand-harvested and sorted and naturally fermented. The wine spent six months in four year old French oak prior to bottling. As the name suggests, no acid, enzymes or yeast were used in the making of this wine.

THE WINE:

A bouquet of earth, black cherries and spices with a subtle mineral/slate quality, oak providing support. Red flowery fruits flavours dominate, with subtle slate like minerality. All framed by a light structure and fine tannins.

Vineyard	Various	Origin	Frankland River, WA	Vegan	Yes
Year Planted	1997	Variety	Syrah	Vegetarian	Yes
Location	Frankland River, WA	Picking date	March 2021	Organic	N/A
