2022 Nitty Gritty Pinot Grigio

THE VINTAGE:

The conditions in spring were mild and wet which set the 2022 vintage up perfectly. Late spring and summer conditions were dry and warm in the lead up to Christmas which meant there was little or no disease pressure in the vineyards with perfect bunches of Pinot and Chardonnay harvested in March and April. Wines have generous fruit flavours and excellent fresh acidities; Chardonnay and Pinot are the standout varieties for the season.

THE WINEMAKING:

The fruit was harvested at night before crushing and de-stemming. Some skin contact was employed to extract flavour and texture from the fruit.

THE WINE:

An intensely fragrant bouquet of pear, with chalky mineral undertones. Tangy acidity and lively dried herb undertones work well to culminate good length and strength to the wine.
