

Cherubino

The sum of our experiences and our best performing parcels of vineyard come to be expressed in our Cherubino range.

It's the best of what we do, from Margaret River to Pemberton, to the regions of the Great Southern: our top one per cent, and with each year, we improve the quality of our best.

Hand made, with attention to detail taken at every step of the winemaking journey.

They are our signature, the sign of our best work.

2022 Great Southern Riesling

THE VINTAGE:

As succession of very good seasons for Frankland River; 2018, 2019, 2020, 2021 and now 2022. Riesling, Shiraz and Cabernet begin the easier varieties, all performed exceptionally with very good flavour, acidity and freshness, however there are not many varieties that did not perform at their peak this harvest. A mild wet winter followed by dry and warm conditions leading up to harvest resulted with a season which had a long but gentle finish. Fruit harvested was in near perfect condition and will result in some very long lived wines.

THE WINEMAKING:

The fruit was hand-harvested and grapes were gently de-stemmed. The free-run juice was fermented using natural yeasts, followed by a long, cool fermentation between 10-12°C.

THE WINE:

Chalky mineral aromatics with lemon and lime. Tight knit acidity with chalky mineral flavours coming through on the palate. Acidity is long and fine with a steely structure and lengthy finish.
