

Folklore

Folklore is many things - it speaks to us of our past, present and future. It can be told, drawn or sung. It's human, natural, ritual—it's wine.

The fruit was sourced from our own vineyards and represents what we do best, farming grapes which are ideally suited to the regions of the south west and firmly putting fruit character and expression first.

2023 Sauvignon Blanc Semillon

THE VINTAGE:

The Pemberton region experienced similar conditions to Margaret River, with excellent winter rains followed by extended periods of cool and dry weather. This allowed for grapes to ripen steadily and with excellent balance and depth, particularly in the standout Chardonnay. The whites earned a rating of 8.5/10, while the reds received a rating of 7.5/10.

THE WINEMAKING:

The Semillon and Sauvignon Blanc parcels were harvested between 11-13°. A combination of machine and hand harvesting was employed and only the free run parcels used after gentle pressing.

THE WINE:

Passionfruit, lime zest and cut grass with a lively acidity and long finish.
