

Laissez Faire

Laissez-Faire means “let it be” and this reflects our hands off approach.

Whilst we’ve learnt from organics, biodynamics and natural wine practices, we’re not dictated by one school of thought. We don’t subscribe to dogma. You could call them natural wines, but we like to think of them as “post natural wines”.

We believe in healthy and sustainable vineyard practices, and a winemaking transparency with as little as possible between the vine and finished wine.

Whereas a lot of wines presented as “natural” can be sourced from chemically cultivated vines without accountability, we grow all our own grapes. Our Grenache and Syrah vines are dry grown. And whilst copper is allowed in organic viticulture, we use minimal copper treatments.

In our Laissez-Faire winemaking, there’s no added tannin, or acid, or animal fining products. There is zero sulphur use throughout the winemaking, and only a minimal amount at bottling. We’re using alternate varieties and blends to make naturally balanced wines. From vine to bottle, the wine takes its course, hands free.

2023 Riesling

THE VINTAGE:

In the Frankland River region, good winter rains and low to moderate crops resulted in slower ripening times, producing wines with spicy flavours in Shiraz and deep complex characters in Bordeaux varietals. The whites, particularly Riesling and Fiano, were of exceptional quality with a rating of 8/10. The reds, with a rating of 9/10, were highlight of the vintage with excellent structure, depth and aging potential.

THE WINEMAKING:

Fruit was hand-picked and whole bunch pressed. Juice was settled without the addition of enzymes, sulphur or acid. Once settled, it fermented naturally at low temperature for six weeks.

THE WINE:

A bouquet reminiscent of red apple and white peach with mineral notes in the background. White stone fruit flavours are persistent on the pallet, there is a subtle texture with tight knit acidity lingering in the background which provides length and persistence.

Vineyard	Various	Origin	Great Southern, WA	Vegan	Yes
Year Planted	1998	Variety	Riesling	Vegetarian	Yes
Location	Great Southern, WA	Picking date	April 2023	Organic	N/A
Vines per Hectare	1800	Sugar at picking	12.6°Baume	Biodynamic	N/A
