

## Ad Hoc

Ad Hoc is an assembly of varietal wines for any occasion, each wine sourced from its best-suited region in Western Australia.

From Margaret River, to Pemberton, to the regions of the Great Southern, we've grown up and worked amongst the vines. Our knowledge of these regions and relationships with other grape growers enables us to find the best vineyards for each grape variety, and this is what we show with through Ad Hoc.

We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

Ad Hoc are "go-to", dependable wines for any occasion, as characterful as their labels.

## 2024 Nitty Gritty Pinot Grigio

### THE VINTAGE:

The 2024 growing season was marked by favourable conditions that supported strong vine growth and fruit development. Spring provided a solid foundation with moderate temperatures ranging from 18°C to 25°C and consistent, though slightly below-average, rainfall. This period of milder weather allowed for robust growth and a healthy flowering, essential for the quality of the fruit set. The moderate rainfall during spring, averaging between 70-110 mm per month, ensured that the soil retained enough moisture, allowing a balanced growth environment for the vines and reducing early season irrigation needs.

### THE WINEMAKING:

The fruit was harvested at night before crushing and de-stemming. Some skin contact was employed to extract flavour and texture from the fruit.

### THE WINE:

An intensely fragrant bouquet of pear, with chalky mineral undertones. Tangy acidity and lively dried herb undertones work well to culminate good length and strength to the wine.

Vineyard	Channybearup	Origin	Pemberton, WA	Vegan	N/A
Year Planted	2008-2011	Variety	Pinot Grigio	Vegetarian	N/A
Location	Pemberton, WA	Picking date	February 2024	Organic	N/A
