## 2011 CRUEL MISTRESS

*"Hints of lipstick and leather"*

**The Vintage:** A milder winter preceded by a warm long dry growing season, resulting in wines of great texture and flavour.

**The Winemaking:** A combination of winemaking techniques were employed, including whole bunch pressing and natural fermentation.

**The Wine:** Cherries, wild herbs and spices are prevalent on the nose; the texture and tannins are soft; velvety finish.

**Drink With:** Goats cheese and onion tart.
