

LARRY CHERUBINO WINES

2010 PEMBERTON SAUVIGNON BLANC

The Vintage: The vintage conditions in Pemberton were almost perfect with little unseasonable rainfall, resulting in fruit with great balance and full flavours.

The Winemaking: Fruit was hand harvested and then gently de-stemmed and crushed. The wine was fermented with high solids to help create complexity of flavour and texture. Fermentation was carried out in 100% new French Bordeaux style oak.

The Wine: Jumps out of the glass, with aromas of nettle, spice and citrus. These characters follow through on the textural palate. Fresh and nervy, with the oak contact delivering a creaminess to the texture without sacrificing the natural crunchy acidity of Sauvignon Blanc. Intense and powerful with great length to the finish.

Drink With: Fresh asparagus, hard goats cheese e.g. Tomme de Chevre, just shucked oysters.
