

## Ad Hoc

Ad Hoc is an assembly of varietal wines for any occasion, each wine sourced from its best-suited region in Western Australia.

From Margaret River, to Pemberton, to the regions of the Great Southern, we've grown up and worked amongst the vines. Our knowledge of these regions and relationships with other grape growers enables us to find the best vineyards for each grape variety, and this is what we show with through Ad Hoc.

We've travelled long to find the path of least resistance, enabling us to show you great quality at great value for money.

Ad Hoc are "go-to", dependable wines for any occasion, as characterful as their labels.

## NV Carte Blanc Prosecco

### THE VINTAGE:

Dry conditions though out the winter and spring lead-up, the summer had unusually high rainfall which helped vine growth and yields. Summer temperatures were moderate and as a result yields were excellent, flavours crisp and vibrant and fruit in excellent condition.

### THE WINE:

A full luscious bead that fills the mouth with no harsh acid edges or overt sweetness. Beautifully balanced citrus notes and yeastiness. Youthful but complex on the palate with texture, freshness and a long clean finish.

### DRINK WITH:

Crispy arancini balls.
